Ok, first of all, awesome service. Quick and friendly response. The guitar is good bang for the bucks. Excellent for beginners like me. Sounds great, with long sustain. Perfect starter pack. I do not use the finger thingy's but standard finger picks. But that's personal. Sorry

Portugese guitar players. Overall I give the shop and the pack a 5 star rating. Probably will buy a more flashy one later when I am able to play a decent tune on it. Obrigado.
